

2024 MMERC Membership Information

Overview

The **Midwest Migrant Educational Resource Center (MMERC)**, operated by **Tri-Valley Opportunity Council, Inc.**, is a lending library established in 1983 and revived in 2023. Its mission is to offer supplemental instructional resources to support educators in meeting the needs of students eligible for the Migrant Education Program.

Our lending library encompasses an extensive collection of resources to support early childhood through 12th-grade students and Out-of-School Youth. MMERC is dedicated to supporting educators and students eligible for the Migrant Education Program.

Key features of MMERC:

- **Academic Resource Kits:** These kits cover various subjects and grade levels, providing resources that enhance classroom instruction. Educators can use these kits to engage students in interactive learning experiences.
- **STEM Resources:** MMERC's STEM kits, including **LEGO Robotics EV3** and **LEGO Simple Machines**, encourage exploration in science, technology, engineering, and math. These resources can inspire creativity and problem-solving skills.
- **Reading Kits:** Literacy development is crucial, and MMERC's reading kits offer tools to support reading skills. These kits can make learning enjoyable and foster a love for reading.
- **Math Manipulatives:** Teaching math concepts through interactive activities helps students grasp abstract ideas. These manipulatives provide a tangible way to explore mathematical concepts.
- **Language Arts with LEGO StoryStarter:** The LEGO StoryStarter kit combines storytelling and creativity. It's an excellent resource for language arts, encouraging students to express themselves through narratives.
- **ESL Resources:** Supporting English language learners is essential. MMERC's ESL resources can assist educators in creating an inclusive and effective learning environment for English language learners.
- **Culturally Relevant Resources:** Recognizing and respecting cultural backgrounds is vital. MMERC's diverse resources ensure that students feel represented and valued.
- **Educational Games:** Learning through play is effective. MMERC's educational games engage students while reinforcing academic concepts.
- **Group or Individual Learning Activities:** Versatile resources cater to different teaching contexts. Whether in a group or individual setting, MMERC provides options for effective learning.
- **Bilingual (Spanish/English) Resources:** Supporting bilingual education is crucial. These resources bridge language gaps and promote understanding. Imagine how one of your students would feel hearing you read a story in their home language.
- **Social and Emotional Learning Resources:** Emotional intelligence is essential for student well-being and learning. MMERC's materials can help educators address social and emotional needs.
- **Portable Translation Device:** Communication is key. The translation device facilitates effective communication between educators and students with different language backgrounds.

The library collection provides valuable resources that enhance classroom instruction and contribute to the learning environment. These resources offer students opportunities to explore diverse academic areas through hands-on and problem-solving activities, fostering both independent and collaborative learning. Our objective is to ensure access to instructional materials that supplement, enrich, and support migratory students and educators, particularly in school districts facing funding or access limitations.
